Honoring the Past ... Securing the Future

Tabor College was the dream of Mennonite Brethren pioneers. Seeking to provide a training ground for their children, their vision was to offer liberal arts education within a Christ-centered context.

Through the dedication and generous spirit of His people, God has established and sustained the College for more than 100 years. Early founders as well as dedicated alumni and friends have been vital to the beginning Tabor College and to its continued existence.

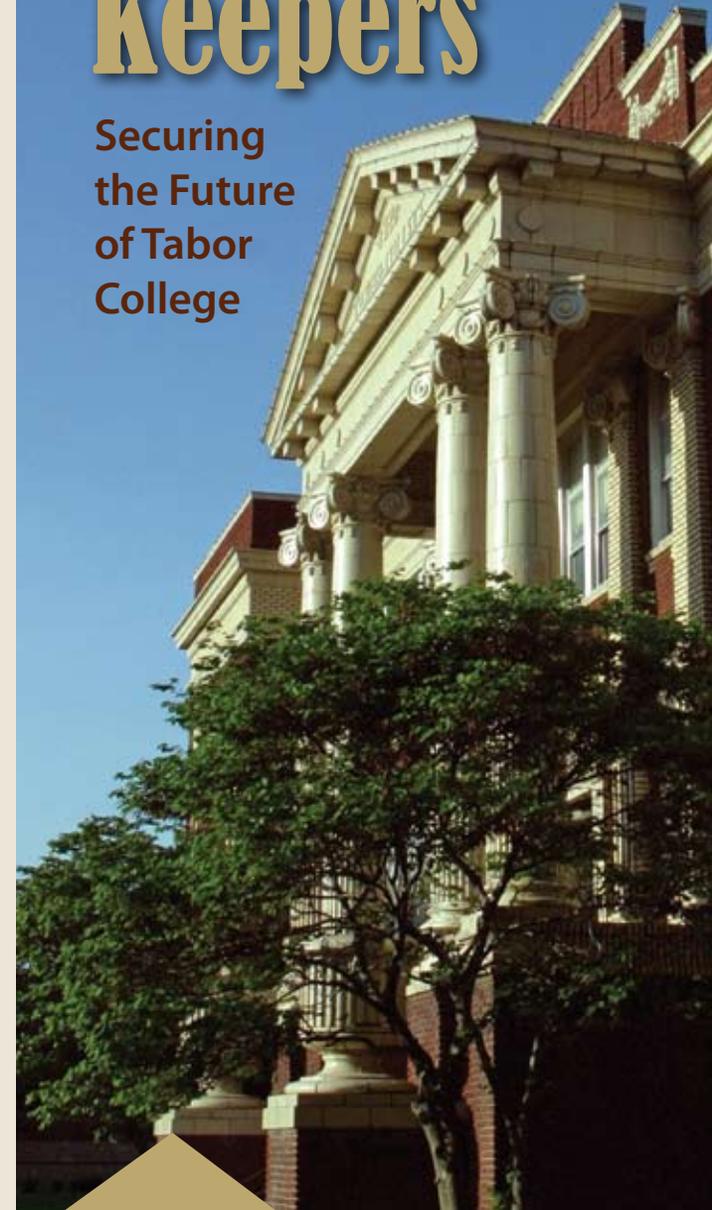

A new group of people called the *Vision Keepers* is being created to secure the future of the College. Focused on endowment growth, Vision Keepers are those who make provisions for Tabor College in their estate plans through deferred gift arrangements.

Tabor College is pleased to partner with MB Foundation to provide estate and gift planning services to alumni and friends of the College. Trusted planned giving advisors are available to assist in the coordination and facilitation of one's charitable and estate objectives. If you have specific questions or would like to explore the possibilities to provide for Tabor in the future, contact:
