Newspapers and Periodicals, German and English, held by Center for Mennonite Brethren Studies, Tabor College. Newspapers and periodicals are excellent primary source materials for historical and genealogical research. Many of these titles were owned and read by Mennonites and Mennonite Brethren; others were read by local southcentral Kansas residents, focusing on Marion County, Kansas. Some titles have complete runs, others very minimal with one or two issues. Some are hard copy only; some are photocopies; some are microfilm. These lists will be updated as collections change. Please forgive errors and omissions. Donations are welcome. Additional details available from Peggy Goertzen, CMBS Director, peggyg@tabor.edu or 620-947-3121 x 1211.
