FINAL EXAMINATION RESCHEDULING POLICY:

1) A student may reschedule a final exam to take place during the final exam schedule in the event the student has one or more of the following scenarios:

- Three final exams scheduled for one day (one may be rescheduled)
- Two final exams scheduled at the same time (one may be rescheduled)
- Verified medical emergency
- Death in the family
- Participation in an approved College-sponsored event

Arrangements should be made with the instructor if any exams need to be rescheduled for one of the reasons listed above. **A rescheduled exam cannot be taken PRIOR to Final Exam Week.**

EXCEPTIONS: The rescheduling of an exam for any reason other than those listed above must be approved by the VP of Academic Affairs in collaboration with the instructor. A petition form is available in the Academic Offices.

A \$300 fee applies to any rescheduling for convenience purposes (e.g. going home early).

2) Students who need to make travel or car pooling arrangements should do this at once to avoid conflicts with exams. Since enough time is being given for students to make such arrangements, permission will not be given for students to get an exam changed to accommodate travel schedules.

3) Regular cafeteria hours will be observed during Finals Week.
