

Assistant/Associate Professor of Chemistry

Tabor College announces a faculty opening for a tenure-track Assistant/Associate Professor of Chemistry. The main responsibility is teaching multiple undergraduate courses. Other responsibilities include conducting research with students, vocational mentoring, academic advising, and additional duties as assigned or needed. A creative approach to innovation and program development is highly desired.

Qualifications:

- Master's required; PhD in physical/analytical chemistry or related field preferred.
- Enthusiastic commitment to teaching and service in the context of a Christian liberal arts college.

Rank/Salary

Commensurate with faculty salary schedule.

Beginning Date:

August 2022.

Candidates are requested to submit the following:

- Letter of application
- Current curriculum vitae
- Transcripts (unofficial accepted for initial review)
- List of 3-5 references that can be contacted if necessary

Send application materials to facultysearch@tabor.edu.

Closing Date:

Review of applications will begin immediately and continue until the position is filled.

Tabor College is a Christian liberal arts institution with a mission to prepare people for a life of learning, work, and service for Christ and his kingdom. The successful candidate must readily embrace the mission (see <http://tabor.edu/about/mission-vision-values/>) and theological identity of Tabor College (<https://tabor.edu/about/theological-identity/>).

Women and Minority candidates are strongly encouraged to apply.

Tabor College is an Equal Opportunity Employer. As an educational institution operating under the auspices of the United States Conference of Mennonite Brethren Churches, Tabor College is permitted, and reserves the right, to prefer employees on the basis of Religion (Title VII, Section 702-703, United States Civil Rights Act of 1964 as amended).
