

Assistant Athletic Trainer

- Description:** Tabor College seeks applications for Assistant Athletic Trainer. Full time, 10 month notice of appointment. Responsible for providing sport coverage, injury prevention, evaluation, management, treatment of athletic injuries and rehabilitation. Position will work in conjunction with other Athletic Trainers, Team Physician, and Orthopedic Surgeons.
- Qualifications:** BOC and CPR/AED certification and Kansas licensure required. Master's degree and football experience preferred. Candidates must affirm Tabor distinctives as an Evangelical Christian college and articulate a personal relationship with Jesus.
- Department:** Tabor College sponsors 17 sports and is a member of the Kansas Collegiate Athletic Conference.
- Beginning Date:** August 1, 2022
- To Apply:** To apply, electronically, send letter of interest, vita, and names of 3 professional references to Angela Vix, HR Coordinator, at tchumrec@tabor.edu.
- Closing Date:** Review of applications will begin immediately. Position open until filled.

Tabor College is an Equal Opportunity Employer operating under the auspices of the Mennonite Brethren churches of the United States. It complies with all applicable non-discrimination laws.

Tabor College Assistant Athletic Trainer Job Description

Athletic Training Services

- Assist in providing overall care, prevention, and rehabilitation of injuries for Tabor student-athletes
- Cover assigned sports, including practices and contests
- Provide Athletic Training Room coverage as assigned
- Work with the Head Athletic Trainer for football coverage, including travel with the team
- Serve as primary Athletic Trainer for a second sport.
- Assist in providing athletic training services when available for sports with minimal home events (cross country, golf, tennis, and track and field, cheer)
- Communicate regularly with coaches of assigned sports on the status of athletes—injury evaluation, medical appointments, rehabilitation plan, and return to practice and competition.
- Monitor concussion protocol, help establish a concussion baseline for each athlete, and monitor concussed athletes
- Report all athletic training services through the Vivature software; includes but is not limited to ensuring all student-athletes check-in upon entering the training room and entering services rendered into the Vivature software with 48 hours of date of service.
- Help maintain organized and clean athletic training facilities
- Coordinate athletic training services with other Athletic Trainers
- Assist Head Athletic Trainer in any other expected responsibilities

Athletic Training Profession

- Maintain Kansas state licensure and BOC certification
- Maintain NATA membership and adhere to the Membership Standards, including following policies and procedures and code of ethics
- Model Professionalism
